Pantry Can Systems

*The Pantry Can Systems include medium can tracks. Medium can tracks will rotate medium or small cans. The total numbers given are assuming you rotate **only** small OR **only** medium cans. You can do a mixture, but the total numbers below assume you do not. If you rotate small cans, you can fit additional can tracks on each row, but you would need to order additional can tracks to accomplish this. The numbers given for small cans assume you do NOT*
